

# PASTA 33

## RENOVATING PASTE FOR INFLATABLE BOATS

**PASTA 33** is a very dense paste for the renovation of inflatable boat (hypalon or neoprene).

**PASTA 33** degreases, descales and removes all stains, including oily stains, without leaving any scratches.

**PASTA 33** is free from solvent and abrasive.

Because **PASTA 33** is a paste, there are no drips or losses.

**PASTA 33** does not scratch the surface.

**PASTA 33** is a paste manufactured from ingredients chosen for their biodegradability and their compatibility with the environment.

### Technical data :

Physical state : paste

Color : white

Chemical reaction : neutral

pH : 6.5 +/- 0.5

Odor : lemon

Storage : +5°C from + 40 °C

### Instructions for use :

- Apply **PASTA 33** with a smooth cloth.
- Work on small surfaces.
- Wait for a few seconds while the product impregnates the surface.
- Rub evenly, with particular attention to the heavily stained areas.
- Rinse abundantly in order to remove any residue of cream (white powder).
- Wipe off with a nonfluffy soft rag

**Réf. 160M - 500 ML**  
shelf life : 2 years

P102 Keep out of reach of children. P260 Do not breathe vapours. P262 Do not get in eyes, on skin, or on clothing. P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. P301+330+331: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Always make beforehand, a test with the surface to be treated to determine the compatibility and the time of contact suited. The components contain less than 5% ionic surfactive agents, less than 5% of non-ionic surfactive agents and Allergenic fragrances : geraniol, (r)-p-mentha-1,8-diene, citral and linalool
