

T.I.O.2 RENOVATOR TITANIUM BASED FOR GELCOAT AND PAINT

Ti.O2 is a high protection dressing.

Titanium is a very light and durable component used in state-of-the-art areas such as aeronautics and Formula 1.

The exclusive formula of **Ti.O2** associates high technology PTFE and TITANIUM for incomparable shine and protection.

Ti.O2 enables the renovation, shining and durable protection of gel coat, paint, varnish and all smooth surfaces from external attack (oxidation, corrosion, U.V. radiation, etc.).

INSTRUCTIONS FOR USE:

First clean the gel coat or painted surfaces with a good, type **KLINCARE** grease remover and leave to dry. Shake the **Ti.O2** bottle well. Apply the dressing with a lint-free cotton cloth or cotton wool. Spread the product uniformly with gentle circular movements. Do a small area at a time. Leave to dry for several minutes and buff up with a clean, soft cloth.

Coverage for 500 ml: 8m²

Elaborated in laboratory and workshop certified ISO 9001 and ISO 14001 Environment
